RoHS COMPLIANCE DECLARATION

CBI is proud to announce full compliance of the DD Frame to EU RoHS Directive 2002/95/EC as published on the 27th January 2003.

After successful re-certification of the DD Frame range of products to North American, Canadian, German and European Standards, CBI is now in full compliance for this product to the European Restriction of Hazardous Substances directive.

The milestone has been achieved without any impact on form, fit and function to the products.
