### **CBI announces agreement with Moeller Electric**

Reunert electrical engineering division announced today the appointment of CBI-electric: low voltage as the exclusive distributor for Moeller GmbH Germany in South Africa and selected African countries. The incorporation of Moeller South Africa into CBI-electric is effective from April 2008.

CBI-electric is proud to be associated with such a well-known brand in the industry. The addition of Moeller's product range will enhance CBI's industrial control portfolio, allowing customers to benefit from a wider range of products and solutions.

Operationally, Moeller South Africa will continue in its present format and customers will still enjoy the same support, be supported by the same staff and have access to the same range of products under the same brand as they have been accustomed to.

CBI-electric is the South African leader in low voltage distribution-, protection-, industrial control products and telecommunication cables.
